

## MULTI APARTMENT GSM DOOR PHONE

### NEW SOLO WITH MULTI APARTMENT SOLUTION

#### GSM 100 NEW HOMES PORTER

**GSM PORTER** is an audio GSM "Door phone -to- Phone" unit allowing you to control visitors by calling you to your mobile and/or landline (PSTN) phones when visitors visit your home, office, holiday home or other premises so you can talk to them.

The **GSM PORTER** unit also allows you to remotely open and control doors, gates and other access control devices by pressing a key combination on your mobile phone or using the CLIP function (Free of charge).

It is **ALL in ONE** and it is very easy to install.

All you need is to connect the power supply and insert the SIM card.
